Hi Daniel,

Can you kindly advise me on what the noise restrictions would be for an event outside? The stage would most likely be on private property (the Space15Twenty parking lot), but will also include closure of Ivar and Selma in that vicinity. We just need to know what the rules are with regard to amplified sound, how loud it can be, and what hours it is allowed during, etc. Any insight would be greatly appreciated. (This is for OIH2016).

Hi Devin,

For noise, I think it would mostly depend on its proximity to residential areas. What hours were you thinking?

I'm CCing Officer Danny Pesqueira who is familiar with these sorts of issues re: noise. Danny, can you please see below from Devin?

I will be attending the CA Downtown Association conference in Oakland this week and will return on Monday May 9. My ability to respond to all emails will be limited. Thanks! Devin
